

HAZING

is forbidden.

If you are hazing, you are breaking *Kappa Alpha Laws*, state laws, school policy, and your oaths and obligations. More importantly, you are physically or psychologically hurting others and yourself, and, endangering the future of your chapter and the Order. Now that you know, ask yourself the question:

“What am I really accomplishing?”

And if you're not the one hazing, are you allowing it?

Call 1-888-NOT-HAZE to report confidentially.

Call 1-540-463-1865 to speak with a staff member at the National Administrative Office to begin confronting hazing, if it exists.

This notice must be posted in a public area of all chapter houses, member residence halls, lodges, meeting rooms, or at the new member educator's residence, as directed by the Knight Commander of Kappa Alpha Order. A \$100 fine shall be issued for failure to keep notice displayed at all times. Additional notices are available by calling (540) 463-1865.
