Helpful Hints

Click on start here when you go to the link

You are the event organizer.

You are applying for Special Event Liability.

List the venue or whoever is asking for a certificate of insurance as an additional insured.

If being an additional insured is required by contract, others can be added later as additional insureds on the web site for no cost.

Be detailed about event and provide explanation of what is planned.

Make sure if alcohol is being served that there is a licensed bartender. Liquor liability is only purchased when you are the ones selling the alcohol. This is usually difficult to obtain.

You will need credit card to purchase coverage, or you can click alternate payment and either wire or ACH payment.

Don't wait till last minute to do this because payment needs to be received before coverage can be bound. ACH sometimes takes 2 days to reach the carrier.

After payment is received you will receive an email saying coverage has been bound. You may then print your documents needed.
